Dear River District Alliance,

Thank you for your invitation to join The River District Alliance. Our Homeowner Association is excited to accept your invitation and become a part of this larger alliance consisting of neighborhood and homeowner associations.

We believe that being a part of this alliance will allow us to collaborate with other associations, share resources, and have a stronger voice in addressing common issues and enhancing the quality of life in the area. We are particularly excited about the opportunity to participate in collaborative projects and attend regular meetings to stay informed on important neighborhood matters.

Please let us know what further information we need to provide to complete our participation in the alliance. We look forward to working together with the River District Alliance and other associations in our area to make our community a better place.

Thank you for the invitation and we look forward to the collaboration.

Sincerely,
